Tennis For Life Clinics

Our most successful program! More than 30,000 students have benefited greatly from our fun, challenging and educational clinics providing an incredible introduction to the simple and efficient PBI teaching concepts. We **do not** cancel clinics. Even one participant will receive instruction for a prorated amount of time.

4.0+ Drill Sessions

For 4.0 NTRP level or higher, this is just what it sounds like... a really good workout with a lot of balls being hit in a wide variety of drills. If you're hoping for the pro to stand and feed balls, this is not for you. We emphasize "live ball" drills.

Grand Slam Round Robin

This fun doubles social gives you a chance to feel what it's like to play at Wimbledon (grass), The French Open (clay) and The U.S. Open (hard). We will even throw in some free tennis tips. This is an opportunity you won't want to miss.

Player Matching

We go the extra mile to match you up with players of your ability. In fact we GUARANTEE you this service with 24 hours notice. If by some chance we fail, we provide our guests with a FREE 1/2-hour on the ball machine or a FREE 1/2-hour lesson with one of our PBI professionals. We take this responsibility very seriously, as it often takes 15 or more phone calls to put a match together. So give us a couple of days if you can. We want your matches to be enjoyable.

Lawn Games

Allow us to show you our collection of fun sports and games right at the tennis facility. We have a NCAA half-court basketball court, badminton, croquet, putting green, horseshoes, bocce (lawn bowling), soccer balls and frisbees. Come by the tennis pro shop to rent the equipment. All on a first come, first served basis.
ONLY \$10.00 per day per family for all games or \$5.00 for one activity.

5 Minute Quick Tip

A PBI professional will come to your court, with a head full of helpful hints for your game. Players can choose any aspect of their game that needs help, and the PBI professional goes to work. Scheduled upon availability, the Quick Tip is helpful to anyone who chooses to participate.

GROUP TENNIS EVENTS

Desert Springs, a JW Marriott Resort & Spa, is well known for its great tennis program. One of our very first challenges in 1987 was to develop spectacular events for convention groups. Since then, the Peter Burwash International (PBI) tennis professionals have directed more than 700 convention group events. Now we've taken our group program to an entirely new level. If you don't see something here that catches your eye, let us know and we'll create one that will.

The Ultimate Tennis Experience

The PBI TENNIS SHOW: This hilarious, live tennis show is unforgettable entertainment for everyone. Your attendees will howl at what has been billed as the "Harlem Globetrotter of Tennis," and at the same time learn some great tennis tips. Funny skits and ball and racquet tricks, all smartly choreographed to music, make up this extravaganza which has performed in 99 countries for heads of state, at charity events and at many professional tournaments. Now the world's only permanent home for this rare tennis event, it's a great way to kick off your grand slam round robin, mixed-up doubles round robin (hard courts only) or even your entire convention.

THE GRAND SLAM ROUND ROBIN Plus...: A tennis player's dream come true! This may be your only chance to play on hard, clay and grass courts all in one special event. This fun doubles social gives you a chance to feel what it's like to play at Wimbledon, the French Open and the U.S. Open. Included in this event are court time, dynamic and professional tournament direction, tennis balls and tennis tips.
